

INFORMACIÓ PELS ALUMNES QUE CURSIN C1 D'ANGLÈS

C1 Summer Reader

All students who will enroll in C1 course should read any original book in English before starting the course. You will be asked to talk about your chosen reader in class. You can focus on the following aspects: setting, plot, characters, conflicts and theme.

For those who have little time or are not hungry readers I suggest **Ten Short Stories by Roald Dahl**. Choose your favorite story from this collection and be ready to talk about it to your class mates in September!
